### INDEPENDENT AUDITOR'S REPORT

**Board of Trustees** Central Texas College District Killeen, Texas

### **Opinions**

We have audited the accompanying financial statements of KNCT-FM (operating segment of the Central Texas College District), as of and for the year ended August 31, 2022 and 2021, and the related notes to the financial statements, which collectively comprise the KNCT-FM (operating segment of the Central Texas College District)'s basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of KNCT-FM (operating segment of the Central Texas College District), as of August 31, 2022 and 2021, and the respective changes in financial position and, where applicable, cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

### **Basis for Opinions**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the KNCT-FM (operating segment of the Central Texas College District), and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

### Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the KNCT-FM (operating segment of the Central Texas College District)'s ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or
  error, and design and perform audit procedures responsive to those risks. Such procedures include
  examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are
  appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of
  the KNCT-FM (operating segment of the Central Texas College District)'s internal control. Accordingly, no
  such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the KNCT-FM (operating segment of the Central Texas College District)'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Required Supplementary Information**

tt, Vernon + Co. P.C.

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

### **KNCT Public Broadcasting**

### Management's Discussion and Analysis

### **Introduction and Reporting Entity**

The following discussion and analysis is an overview of the financial position and activities of KNCT Public Telecommunications for the years ended August 31, 2022 and 2021. Management of the station prepared the following discussion, and it should be read with the financial statements and related footnotes which follow this section.

KNCT formally broadcasted on both a full-powered public television station and a full-power FM non-commercial radio station. In the year of 2018 the College Board of Trustees voted to not participate in Federal Communications Commission mandate to move the station from UHF Channel 46 to Channel 17. The Board then decided to cease over the air television broadcasting effective August 31, 2018. During Fiscal Year 2019 KNCT sold TV Licenses rights for \$485,250.90 recorded as other Income.

KNCT, under licensee owner Central Texas College District, now operates solely as a full power FM non-commercial radio station.

KNCT-FM, a full power FM non-commercial radio station is owned and operated by Central Texas College District, a political subdivision of the state of Texas. The college is governed by a Board of Trustees who are elected by voters in the college district. The station began operation in November 1970 to serve central Texas residents with quality non-commercial educational programming.

KNCT-FM operates with an effective radiated power of 50,000 watts with an antenna height of 1,000 feet. The radio service enjoys a large coverage area of an approximate 100 mile radius with internet streaming of its programming for worldwide coverage.

The radio station provides programming for persons over age 50. It is the only local radio station to do so and has enjoyed success and membership support for its efforts. The station produces a weekly 6 hour big band music show. The station carries a weekly program for local news information for senior citizens. In addition the station is the only station under local ownership in the Killeen-Temple market.

KNCT-FM is committed to local program production which includes news and information on prevention and safety warnings for listeners as well as community events for non-profit organizations in local areas. The station is committed to serving the military community as Killeen, Texas is home to Ft. Hood, one of the largest military installations in the United States. KNCT-FM partners with the Center Director of Fort Hood's USO to inform our listeners of weekly events and programs designed to assist

soldiers, veterans, and their family members. The station promotes wellness clinics that offer free healthcare for children in the area and animal shelters that need help finding homes for our four-legged friends. When commercial radio stations ceased broadcast of local high school sports, KNCT became the only outlet to provide live play by play of all Killeen High Schools. This will mark the 43<sup>th</sup> year the station has broadcast local KISD games.

The radio station installed a new digital transmitter and has begun HD radio broadcasts. A second full time channel was added in the in mid-2015 and provides a 24 hour classical music service.

The station operates within a modest budget structure. The radio station is supported by membership contributions and corporate funding and an annual grant from Corporation for Public Broadcasting (CPB).

The station relies on a variety of revenue sources which include tower facilities rental, production services and use of its facilities for academic activities and an annual grant from the Corporation for Public Broadcasting.

### **Overview of the Financial Statements**

The financial statements of KNCT consist of the Combined Statement of Net Position, the Combined Statement of Revenues, Expenses and Changes in Net Position and the Statement of Cash Flows. These statements are prepared in conformity with Governmental Accounting Standards Board Statement No. 34, Basic Financial Statements - and Management's Discussion and Analysis – for Public Colleges and Universities.

The Combined Statement of Net Position includes Assets, Liabilities and Net Position as of August 31, 2022 and 2021. This statement is classified into Current and Non-Current Assets and Current Liabilities, with Net Position classified in the categories as noted above. The Combined Statement of Revenues, Expenses and Changes in Net Position depicts the operating revenues and expenses resulting in Net Operating Income (Loss), which is then combined with Non-Operating Revenues (Expenses) to provide the total Change in Net Position. The Statement of Cash Flows shows the sources and uses of cash from operations, cash flows from non-capital financing activities, cash flows from capital and related financing activities and cash flows from investing activities. The financial statements also include notes that explain some of the information in the financial statements and provide more detailed data.

For FY2022 and going forward, since KNCT-TV is no longer a grantee, separate audited financial information for KNCT-FM is required. This can be done by submitting only an AFS for KNCT-FM or including a supplemental schedule of combined Statement of Revenues, Expenses and Changes in Net Position with a breakdown of TV and Radio, per CPB Financial Reporting Guidelines (Part I, Section I, para. D, page 5). The Independent Accountant will be required to perform necessary procedures to provide opinion that the

information is fairly stated, in all material respects, in relation to the financial statements as a whole.

### **Financial Highlights**

The financial position of KNCT remains stable as of August 31, 2022. Combined Net Position totaled \$516,411 for the year ended August 31, 2022 (FY 2022) and \$424,106 for the year ended August 31, 2021 (FY 2021). KNCT's Combined Net Position increased by \$92,305 in FY 2022 compared to an increase in Combined Net Position for FY 2021 of \$288,820. Operating Revenues totaled \$724,568 in FY 2022 compared to \$854,382 in FY 2021. Operating and Support Service Expenses totaled \$231,042 and \$401,221 in FY2022 compared to \$234,528 and \$331,034 in FY 2021. The Combined Net Operating Gain for FY 2022 was \$92,305 which included non-cash depreciation expense of \$25,010 and amortization \$4,747 while the Combined Net Operating income for FY 2021 was \$288,820 which included non-cash depreciation expense of \$32,377.

### **Financial Analysis of Statements**

KNCT condensed financial statements are presented below for FY 2022 and 2021.

## KNCT-FM (Operating Segments of the Central Texas College District)

### **NOTES TO FINANCIAL STATEMENTS**

#### **Summary of Significant Accounting Policies**

Central Texas College District (the District) maintains two operating segments which function as non-commercial public FM radio (KNCT-FM) stations in Killeen, Texas. The Stations maintain their accounting records in conformity with the Principles of Accounting and Financial Reporting for Public Telecommunications Entities mandated by the Corporation for Public Broadcasting.

The District adopted two new GASB statements in fiscal year 2013. Financial Reporting of Deferred Outflows of Resources, Deferred Inflows of Resources, and Net Position, which was effective for financial statement periods beginning after December 15, 2011, established reporting standards for deferred outflows and inflows and changed the presentation and titles of the financial statements accordingly.

For fiscal year 2013 the District adopted GASB 65, Items Previously Reported as Assets and Liabilities, which is effective for financial statement periods beginning after December 15, 2012. This statement established accounting and financial reporting standards that reclassify certain items that were previously reported as assets and liabilities as deferred outflows and deferred inflows.

### **Basis of Accounting**

The Financial Statements are recorded on an accrual basis.

### Cash and Cash Equivalents

The District's cash and cash equivalents are considered to be cash on hand, demand deposits and short term investments with original maturities of three months or less from the date of acquisition.

#### **Revenue Recognition**

Unrestricted contributions and pledges are recorded as revenue in the financial statements when received. Contributions restricted for the acquisition of property and equipment or other capital improvements are reported on the balance sheet as deferred support until the funds are expended.

### **Broadcast Facilities and Equipment**

Broadcast facilities and equipment are recorded at cost or, in the case of donated facilities and equipment, at their appraised value as of the date or receipt.

### **Broadcasting Rights**

Expenses are recognized over a three year period using an allocation formula based on estimated replacement cost of the programs.

### **Indirect Administrative Support**

Indirect administrative support totaling \$143,547 and \$253,032 as of August 31, 2022 and August 31, 2021 has been included in both contribution revenue and management and general expenses. This amount represents allocations of cost incurred by the District which have been derived in accordance with the guidelines established by the Corporation for Public Broadcasting in its Handbook of Instructions.

### Contributions

This amount represents indirect cost recoveries and cash contributed by the College in support of this public service.

# KNCT-FM (Operating Segments of the Central Texas College District)

### NOTES TO FINANCIAL STATEMENTS

### **Capital Assets**

Capital assets are stated at cost. Donated capital assets are valued at their estimated fair market value on the date received. The KNCT FM reports depreciation under a single-line item as a business-type unit. Depreciation is computed using the straight-line methods over the estimated useful lives of the assets. The following lives are used:

Buildings 50 years Furniture, machinery, vehicles and other equipment 10 years Telecommunications and peripheral equipment 5 years

### Capital assets activity for the year ended August 31, 2022 and August 31, 2021 was as follows:

|                                       |              | ance as of<br>mber 1, 2021 | Increases | <u>Decreases</u> | Balance as of<br>August 31, 2022   |
